

Diploma Wine Course

Our passion keeps South African wine alive by teaching, inspiring and growing an inclusive wine culture for all.

The Cape Wine Academy has welcomed more than 200,000 students through our doors since we were founded in 1979. Most of South Africa's wine industry experts have completed some form of education, training or experience with us over more than 40 years of wine education.

We focus on the nuances of South African wine with global wine context. We do this by tapping into the vast knowledge of actively involved Cape Wine Masters, wine professionals and subject matter specialists whose expertise is incorporated into our training materials, content and information taught on all our courses.

We collaborate with several partners, either directly or strategically, to ensure that wine education in South Africa is relevant and meets the needs of a wide spectrum of wine and tourism industries as well as enthusiasts for both professional and social appreciation.

If you love wine or have a professional interest in learning more, you are in the right place. Enjoy your journey of discovery into the fascinating wines of South Africa and the world.

Everyone is welcome
